MUNICIPAL ADMINISTRATION AND URBAN DEVELOPMENT (Plg.III) DEPARTMENT

G.O.Ms.No.102

Dated: 03.07.2021
Read the following:-

1. From GHMC Lr.No.1054/TPS/HO/GHMC/2016/1154, Dt.06.08.2016 &17.7.2018
2. Govt., Memo No.9466/Plg.III/2016, Dated: 07.09.2019
3. Extra-Ordinary Telangana Gazette Dated: 11.09.2019.
4. Objections / suggestions received from CREDAI Hyderabad and others
5. From GHMC Lr.No.A/5120/TPS/HO/GHMC/2019, Dated: 21.10.2019

ORDER

The appended notification shall be published in the next issue of the Telangana Gazette.

The Metropolitan Commissioner, Hyderabad Metropolitan Development Authority shall publish a notice in newspapers as specified in sub-section (3) of section 15 of HMDA Act, 2008 and furnish the copies of same to the Government.

NOTIFICATION

1. Whereas, the Government vide G.O.Ms.No.766, MA Dated: 18.07.2007 have declared certain roads in core area of GHMC as commercial roads and authorised the Commissioner, Greater Hyderabad Municipal Corporation to grant building permissions for construction of Residential / Commercial / Institutional buildings at the option of the owners in the sites abutting to these roads subject to collection of Impact Fee as specified therein irrespective of the land use specified in the Master Plan. Accordingly, the Commissioner, GHMC has been permitting various Commercial / Residential / Institutional buildings all along the said notified commercial roads.

2. And whereas, it has now come to the notice of the Government that few more roads in Greater Hyderabad Municipal Corporation / Hyderabad Metropolitan Development Authority area are having potential for commercial development and there is a need to declare them as commercial roads. Further it has come to the notice of the Government that there is a need to revise the present rates of Impact Fee to make them more rational and dynamic. Therefore, Government after careful examination of the matter have proposed to declare few more roads as "Commercial Roads" which are in addition to the already notified commercial roads and authorise the Commissioner, Greater Hyderabad Municipal Corporation / Competent Authority i.e., HMDA / TSIC to grant building permissions for construction of Residential / Commercial / Institutional buildings / IT Buildings / Mixed Use Buildings at the option of the owners of the sites abutting to these roads subject to collection of Impact Fee as specified there in. Accordingly a draft notification was issued vide Government. Memo No. 9466/Plg.III/2016 Dt.07.09.2019 calling for objections / suggestions on the above proposal. The said draft notification was published in the Telangana Gazette No.181 – A Dt.11.09.2019.

3. In pursuance of the above said draft notification, certain objections / suggestions have been received by the Government viz., (i) to reduce the proposed rates of impact fee (ii) to declare few more roads as commercial roads (iii) not to levy the impact fee where the site is part of a commercial belt or already earmarked for commercial use in the master plan (iv) to allow the commercial activity in the vacant industrial plots also and (v) to declare all 100 feet wide roads as commercial roads.

4. Government have examined the objections / suggestions based on the merits keeping in view the existing rules and regulations as detailed below.

- (1) The request / suggestion for reduction of impact fee is agreed and considered.
- (2) The suggestion of declaring few more roads as commercial roads has been examined and considered on merits.

....2

- (3) The suggestion of not to levy the impact fee where the site is part of a commercial belt or already earmarked for commercial use in the master plan is considered.
- (4) The suggestion to allow the commercial activity in the industrial plots also on payment of impact fee is not agreed for, since allowing commercial activity in industrial plots has to be examined separately on case to case basis on merits of each case and in consultation with the Industries Department / TSIIC.
- (5) The suggestion to declare all 100 feet wide roads as commercial roads is also not agreed for, as certain roads are proposed to be declared as commercial roads based on existing / proposed road width, location of the road, existing developments on the said road, surrounding developments, surrounding road network, potential for commercial development and declaration of commercial road is not merely based on the road width. only.

With the above the objections are disposed.

5. Accordingly in exercise of the powers conferred by sub-section (1) of section 15 of HMDA Act 2008, Government hereby issue the final notification declaring 118 roads as given in the Annexure as "Commercial roads". These roads are in addition to the already notified commercial roads and authorise the Commissioner, Greater Hyderabad Municipal Corporation / Competent Authority i.e., HMDA / TSIIC to grant the building permissions for construction of Residential / Commercial / Institutional buildings / IT Buildings / Mixed Use Buildings at the option of the owners of the sites abutting to these roads subject to collection of Impact Fee as specified below.

- (1) The Impact Fee so collected shall be escrowed into SNDP (Strategic Nala Development Programme) Account.
- (2) The above rates of Impact Fee shall be applicable to earlier declared commercial roads also and will supersede the existing Impact Fee rates specified in G.O.Ms.No.766, MA Dated: 18.07.2007.

- (3) The above Impact Fee will be over and above the conversion charges and other fee / charges to be paid in the normal course and shall be applicable to all pending cases where the applicants have not paid the impact fee as per earlier rates.
 - (4) The impact fee is not applicable to the sites which are already earmarked for commercial use in the Master Plan /Zonal Development Plans.
 - (5) The existing commercial buildings located on the declared commercial roads which have been converted from permitted residential use shall pay impact fee as per the above prescribed rates along with 33% compounding fee within 3 months from the date of issue of these orders failing which further action shall be taken by GHMC / Competent Authority as per rules.
6. In order to address the parking issues on these newly declared commercial roads and to ensure required parking area / parking lots all along these roads, the owners of vacant lands / vacant plots shall be encouraged to develop their land / plots as parking lots or Multi Level Parking Complexes either by themselves or in collaboration with GHMC. Further any commercial development all along these roads shall be subject to compliance of following conditions:
- (1) Required parking area as specified in the Building Rules / Multiplex Rules and as amended from time to time shall be provided by the building owners
 - (2) No compound wall / fencing shall be allowed towards the front side (i.e, road side)
 - (3) Front setback area shall be kept open (without any garden) and shall be at the same level as that of footpath level of the road for free movement of occupants / visitors of the building and shall not be used for parking of any vehicles including visitors parking.
 - (4) Cellar / basement floor shall be restricted up to front building line. However in case where the front setback is more than 7 mts , the cellar setback shall be minimum of 7 mts and no excavation shall be allowed below the said setback area.
 - (5) No temporary or permanent structure viz., transformer, ramp, security room, generator shall be allowed in the front setback area
 - (6) When the site abuts more than one road all the above conditions shall apply to that side / sides also.
 - (7) The above conditions shall be scrupulously followed and while granting building permissions / OCs , GHMC / HMDA / TSIIC / ULBs shall ensure that same are implemented without any deviation.
